

**Jessica Patterson Seminar
May 20-24, 2024**

**Sue Marshall Arena
21700 Neff Rd., Bend, OR**

Monday, May 20, 8:30am-12pm Advanced Handling

This workshop is designed for the intermediate team that has obstacles and skills started, but not necessarily proofed. The team may lack competition experience but has a solid foundation with verbals and course handling. All obstacles may be used

Tuesday, May 21, 3:30pm-7pm Distance and Layering

Teams will work on the timing and execution necessary to help with your dog's commitment while layering obstacles. Suggested for advanced and masters dogs. All obstacles may used.

Wednesday, May 22, 3:30pm-7pm Commitment and Connection

Teams will work on the timing, execution and verbals necessary to help with your dog's obstacle commitment, allowing the handler to "cue and go".

Thursday, May 23, 3:30pm-7pm Masters/International Handling

This class will consist of challenging sequences at the Masters/International Level, such as layering and obstacle discrimination. This class will have different sequences and challenges than Friday's class.

Friday, May 24, 8:30am-12pm Advanced Handling

This workshop is designed for the intermediate team that has obstacles and skills started, but not necessarily proofed. The team may lack competition experience but has a solid foundation with verbals and course handling. All obstacles may be used This class will have different sequences and challenges than the Monday session.

Friday, May 24, 3:30pm-7pm Masters/International Handling

This class will consist of challenging sequences and current trends at the Masters/International level, such as distance and layering with obstacle discrimination.
